To someone who doesn't play, football is just another game with a ball. But to a player, or a committed supporter, football is skill and excitement.

It's this latter thing that I've told our players to generate more in our matches. The game thrives on excitement in the penalty area and if we can start to get the right sort of crosses into the area I believe we have the players capable of turning them into goals.

But having said that, it's still vitally important we keep things

Phil Neal Notebook

tight at the back. It's pointless scoring at one end only to have the advantage wiped out by sloppy defensive play. With a team like we have which is naturally inclined to attack our defenders have to concentrate doubly hard and that hasn't always been the case so far this season.

However, we are determined to reward your loyal support with results of which you can be proud. During the last week we have seen examples of just how much Bolton Wanderers means to the people of the town. Starting with the tremendous show of loyalty after the Port Vale game, continuing with over 2,000 of you travelling to Wigan and ending with around 200 fans turning up to watch the video recording of the Wigan game on Monday night in the Executive Club.

Support and affection for the Club like that just cannot be ignored and rest assured we will be trying everything we can on the field to make your Saturday nights more enjoyable.

Today we welcome the players, officials and fans of Notts County, like ourselves a club steeped in tradition. The bond between our two Clubs was made even firmer recently when our Commercial team helped County launch their Lifeline Private Members Club.

They may not owe us three points in return but we'll be going all out to get them today.

COUNTY SPIRIT WILL KEEP SOCCER ALIVE

Today's visitors, Notts County, became the 35th club to adopt the Lifeline Private Members Club scheme initiated here at Burden Park four years ago.

County launched their Lifeline scheme on Monday, September 15th on an emotional night which saw over 1,500 County fans pack into the city centre Astoria ballroom with hundreds more locked outside.

And as co-founder members of the Football League along with Notts County, the Wanderers were delighted to be in a position to offer help and advice on Lifeline which currently has over 1,600 members. In the words of County manager Jimmy Sirrel, "With this passion the club will not die".

Bolton-born soccer legend Tommy Lawton lends his support to Lifeline.

NOTTS COUNTY MOUNT PROMOTION CHALLENGE

by Tony Pullein

Notts County got off to a fine start with two straight wins and now seem to be settling down for a crack at promotion. They have looked particularly good away from home with victories at Swindon (2-1) and Chesterfield (2-1) and a draw at Port Vale (1-1).

Their only away defeat in the League was at Darlington (1-2) though they did lose heavily at Port Vale (1-4) in the Littlewoods Cup. They had already been beaten 1-3 in the home leg and so took an early exit from that competition.

Last season Notts lifted themselves into eighth place and they missed promotion by only 13 points. Manager Jimmy Sirrel hopes they can do better this time and start climbing up the League ladder again.

Between 1971 and 1981 Mr Sirrel lifted the club from the Fourth to the First Division. It was the club's first taste of top-class football since 1926.

They enjoyed three seasons at the top but, when their decline started, it was rapid. After losing their First Division place in 1984, Notts fell to the lower regions of the Second Division. Within 12 months, Notts were back in the Third Division.

Mr Sirrel, who had relinquished the team-manager's job to become Club Manager in 1982, was invited to return to team duties shortly before they dropped back into Division Three and since then he has been planning another upsurge in the club's fortunes.

BACK ROW (left to right): Darren Davis, Tristan Benjamin, Mick Leonard, David Hunt, Paul Barnes.

MIDDLE ROW: Wayne Jones (Physio), Steve Sims (Capt.), Mick Waitt, Dean Yates, Dick Bate (Chief Coach).

FRONT ROW: Paul Smalley, David Clarke, Declan Edge, Jimmy Sirrel (Manager), David Kevan, Mark Harbottle, Ian McParland.

Formed in 1862, Notts County is the oldest club in the Football League. They were among the founder members in 1888 and in 1890/91 they went close to pulling off the Cup and League double. In the end they finished third in the League and lost 1-3 to Blackburn Rovers in the F.A. Cup final.

Though they were relegated in 1893, they reached the F.A. Cup final a year later to defeat Bolton 4-1 and win that trophy for the only time.

The club moved to its present Meadow Lane headquarters in 1910 and, after hopping between the top two divisions, they left the First Division in 1926 and it was to be more than 50 years before they returned.

In 1930 they dropped into the Third Division (South) for the first time and, though they won promotion at the first attempt, they went down again in 1935 and remained until 1950.

That was the time when Notts fielded an all-star team in the Third Division. They signed England centre-forward Tommy Lawton and he helped them run up several huge victories.

They eventually returned to Division Two in 1950 but they were soon in decline and, by 1959, they found themselves in Division Four for the first time.

It was under Mr Sirrel's guidance that they recovered to make that dramatic climb back into the First Division in 1981.

JIMMY SIRREL (Manager). Jimmy took over again as team-manager in May 1985 after serving as Club manager. In his playing days he was an inside-forward with Celtic, Bradford P.A. and Aldershot. He became Aldershot's trainer and took his first managerial post with Brentford in 1965. He first took charge of Notts County in 1969 and in 1971 led the club to the Championship of the Fourth Division. Two years later he took them into the Second Division.

He left to become manager of Sheffield United but he returned to Meadow Lane four years later and, in 1981, completed the club's rise into the First Division. In 1982 he became Club manager but the side began slipping back down the divisions and in 1985 he was invited to take charge again.

MICK LEONARD (Goalkeeper). Mick began his professional career with Halifax Town in 1976 and it wasn't long before he established himself in their first-team. Notts County signed him for £30,000 in 1979 but it took him almost five years to win a regular place. He is now approaching his 100th League appearance for the club.

PAUL SMALLEY (Defender). Paul served his apprenticeship at Meadow Lane and made his League debut at Blackpool, as substitute, in August 1985. He took over at right-back in November and has since been holding his place.

STEVE SIMS (Defender). Steve completed his apprenticeship with Leicester City, making his League debut in 1976. Almost as soon as he had played himself into the team, he was in the England under-21 side, winning ten caps at that level. Watford invested a club record £200,000 when they signed him in 1979 and he played more than 150 League games for the Hornets before moving on to Notts County in 1984.

TRISTAN BENJAMIN (Defender). Tristan is Notts County's longest-serving player and he is now approaching his 300th League appearance for the club. He rose from the apprentice ranks to take his first-team place in 1974/75.

DARREN DAVIS (Defender). Darren is another product of the club's youth scheme. He got one outing in Notts' League eleven in 1983/84 and won a regular place last season.

DEAN YATES (Midfield). Another apprentice to make the grade at Meadow Lane, Dean was introduced to League football two seasons ago and he missed only two games last season.

WAYNE FAIRCLOUGH (Defender). Wayne successfully completed his apprenticeship and was given a few outings in the first-team last season. This term he has sometimes been nominated as substitute.

MARK GOODWIN (Midfield). Mark was introduced to League soccer by Leicester City in 1977/78 and completed more than 50 League games for them before transferring to Notts County for £50,000 in 1981.

DAVID HUNT (Midfield). David started his career with Derby County but, after only five appearances in the Ram's League eleven in 1977/78, he was transferred to Notts County. He now looks back on well over 300 League outings for Notts.

DAVID CLARKE (Midfield). David won England youth honours during his early days at Meadow Lane and he was introduced to the club's senior side in 1982/83.

IAN McPARLAND (Forward). Ian's goal in Notts' 2-1 at Chesterfield last Saturday made him top scorer with five goals. He was the club's leading marksman last season when he netted 21 times. Ian was discovered in Junior football and he won his chance in the Notts' side in 1981.

MICK WAITT (Forward). Mick was signed from Keyworth United and given his chance in the Notts' team two seasons ago. He came good last season when he scored 18 times and he had hit the target four times this season by last weekend.

DAVID THOMPSON (Forward). David was signed from Rochdale at the start of this season in an exchange deal for Alan Young. A local Rochdale discovery, he was drafted into their senior side in 1982 and had been a regular for the past four seasons.

VIDEO SHOW A BIG HIT

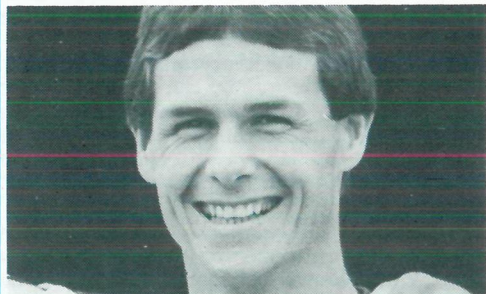

Over 200 Wanderers fans crowded into the Executive Club last Monday night to watch the video of the Wigan game and put their points to a panel of players and officials.

And the biggest cheer of the night, apart from that for Warren Joyce's goal, was reserved for Steve Elliott and Mark Gavin.

The two players put themselves in the front line and faced a barrage of constructive questions from the fans.

The next event will be on Monday, October 13th at 8.15 p.m. when the Walsall game will be screened.

PLEASE NOTE THAT BECAUSE OF LICENSING REGULATIONS THE VIDEO NIGHTS ARE RESTRICTED TO OVER 18's.

Flashback

PAST ENCOUNTERS

The Wanderers entertain Notts County today in what will be the 65th League game between the clubs. The first major game between the sides took place in 1884 when County defeated the Wanderers in a fourth round FA Cup replayed tie at Pikes Lane. The clubs also faced one another in the FA Cup final ten years later with County again victors by a 4-1 margin.

The early days of League football saw the Wanderers have the better of things, although there wasn't a shortage of goals, fourteen being scored in the first two games in 1888/89 which Bolton won 7-3 at Pikes Lane and 4-0 at the Castle Ground.

The Wanderers have faced County in all three top divisions of the League but it was in January 1926 that the First Division last saw a game between the clubs. Bolton were 2-1 winners then, thanks to a couple of goals from John Smith, County have since made eleven visits to Burnden in the League and have been successful twice. Their wins came in January 1972 and November 1973, although their last five visits have ended in defeat, the last four seeing the Wanderers defence intact.

Last seasons games saw honours even with each club recording a home victory by a single goal. At Meadow Lane Dean Yates grabbed his first goal for County twelve minutes from time to win the points. Last April it was again a goal late in the game that separated the sides. Jimmy Phillips blasted his only goal of the season seventeen minutes from time as the Wanderers registered their 50th point of the campaign.

Our League record against County is as follows:

	PI	W	D	L	F	A
HOME	32	18	5	9	62	33
AWAY	32	10	11	11	41	41
TOTAL	64	28	16	20	103	74

FIVE YEARS AGO

3rd October 1981. Bolton crashed to their sixth defeat in eight games when Grimsby Town won 2-1 at Burnden. Kevin Drinkell and Bob Mitchell were on the mark for the visitors whilst the Wanderers consolation in the last minute came from John Thomas who netted the clubs 5,000th Football League goal.
10th October 1981. A couple of goals from Jim Melrose and one from Alan Young gave Leicester City a comfortable win at Burnden. Jim McDonagh kept the score down with a penalty save from Kevin MacDonald and Jeff Chandler made his Bolton debut following his move from Leeds United.

TEN YEARS AGO

2nd October 1976. Blackpool hit the Wanderers with a 3-0 goalburst at Burnden. Former Wednesday, Bob Hatton, gave them the lead after only three minutes, Micky Walsh grabbing the others, the third from the penalty spot. Jim McDonagh made his League debut in the Wanderers goal.
5th October 1976. Bolton and Fulham played out a 2-2 draw after extra time in a League Cup third round replay at Burnden. The Wanderers twice came from behind, Steve Taylor and Mike Walsh scoring for Bolton with Walsh's in the sixth minute of injury time. This led to the sending off of Bobby Moore for dissent.
9th October 1976. Paul Jones and Steve Taylor gave Bolton a commanding lead at Cardiff City but late goals saw the Welshmen come back to win 3-2.

FIFTEEN YEARS AGO

5th October 1971. A crowd of 42,039 saw the Wanderers defeat Manchester City 3-0 at Burnden in the third round of the League Cup. Bolton old boys Freddie Hill, Wyn Davies and Francis Lee were in the City line up but were all overshadowed by Garry Jones who grabbed a hat trick. The first came after sixteen minutes when he headed home an Alan Waldron cross. The second didn't arrive until the 65th minute when Jones latched onto a Roy Greaves through ball to lob past Joe Corrigan. The third came from the penalty spot eleven minutes from time.

Postie's Page

This is the column reserved for your comments, suggestions or criticisms.

If you have anything to say about any aspect of Bolton Wanderers or football in general write to Postie's Page, Bolton Wanderers F.C., Burnden Park, Bolton.

Dear Postie,
I have been following football for the past 20 years and love going to a live game.

I went to watch Bolton play Bournemouth, along with my twin brother who agrees with me that Northern teams play to entertain as well as to win.

My main reason for writing is to say what an injustice it was for Bolton to travel home without a single point. I thought the team played really well in the first half and, even after having Gavin sent off, they maintained discipline and continued to play effective football.

As for the penalty, some refs give them, others don't. I think Bolton were very lucky.

I wish the Wanderers well in the remainder of the season and I hope your supporters will take heart from this unbiased opinion that the team will play a lot worse and get the points.

Best wishes,
Malcolm Atherton

Reserve Report

24th September 1986.
Bolton Wanderers Res 0
Doncaster Rovers Res 1

Two teams with plenty of experience failed to produce many scoring chances, in what was a dull game, with both defences well on top.

George Oghani looked sharp and caused the Rovers defence their biggest headache of the evening. In the 10th minute, after a forward run by Dave Sutton, Oghani brought a good save out of Samways in the

Doncaster goal. Oghani was also close with a volley from a Paul Hughes free kick although on this occasion he should have capitalised on the chance.

The winning goal came in the 76th minute when Clayton ran unchallenged from the half way line before shooting low underneath the body of Wanderers keeper' Kevin Mailey.

Mailey had in fact made a fine save from the same player minutes earlier but the young keeper' was left exposed for the goal.

Another Wanderers youngster was blooded for his first taste of Central League football, with Chris O'Brien, producing a good display on the left wing.

Team: Mailey, Hughes, Mullineux, Callaghan, Sutton, Banks, Bell, Oghani, Allen, Hartford, O'Brien. Subs: Griffin for Allen. Senior for Banks.

GEORGE OGHANI looked sharp in the Reserve fixture against Doncaster.
